## Conference on 'Quality Day 2008' held

### Mail News Service

**Jamshedpur, Nov 30:** EMG Automation along with Mesacom, LDV, Cognex and Vatron conducted 'Quality Day 2008' conference successfully at the Fortune Hotel on November 29 last.

The conference was

conducted to discuss technologies, developments and product offerings pertaining to enhancement of quality in the steel industry in India.

Key management personnel representing Tafa Steel, Tinsplate, Tata BlueScope, Tata Ryerson,

etc participated in the event.

Top officials representing the organizations from countries such as Germany, USA, Austria and India made useful presentations apprising the participants of the latest products available for hot rolling and cold rolling applications.
