

Workshop and training conditions of EMG Automation GmbH / drive technology

1. Content

- Classic ELDRO® product training
- Structure and mode of operation
- Design features
- Maintenance work
- Cause of error and troubleshooting training documentation

2. Certification

After completing the training, each training participant receives a certificate confirming the participation in the event and various documents for training.

3. Liability

EMG Automation GmbH is not liable for any damage or loss of valuables or clothing of the trainees. Claims for damages against EMG Automation GmbH are excluded for the duration of the training.

4. Copyright

The duplication (also in parts) and passing on of the training documents is not permitted. They are to be used exclusively for informing and processing the tasks of the trainee. However, if there is a written agreement with EMG Automation GmbH, a transfer is not a violation of law. The knowledge gained during the training may not be passed on by the participants as a service to third parties.

5. Prices / services

Unless otherwise agreed, the training costs include meals and training materials for the trainees. Meals include soft drinks during the active training period and lunch. The arrival and departure, as well as any accommodation are to be borne by the participants themselves.

6. Other

The place of execution is the headquarters of the EMG Automation GmbH in Wenden Industriestraße. Hereby we also refer to the general terms and conditions of EMG Automation GmbH, which can be viewed on the Internet at www.emg-automation.com.
